track the amount of time the student works under the original appointment).

e. Conversion. Interns may be converted to a term (lasting 1-4 years), career-conditional, or career appointment within 120 days following successful completion of their educational program (completion of degree requirements) and work experience requirements.

(1) Interns must be converted to a term (lasting 1-4 years), career-conditional, or career appointments within 120 days (4 months) window of successful completion of their educational program (completion of degree requirements) and 640 hours of work experience requirements or at the time of their completion of their educational program (completion of degree requirements) date. If the Intern is not converted at the prescribed time above, their appointment must be terminated.

(2) MTFs and Center may make:

(a) A temporary appointment for a period not to exceed one year, the ending date of which must be specified in the PA with the Intern. These appointments may be extended under 5 CFR 213.104; or

(b) An appointment for an initial period expected to last for more than one year. An end date must be specified in the PA with the Intern and is generally the Intern’s projected graduation date.

(3) Prior to non-competitive conversion to the competitive service, the following conditions must be met:

(b) Complete their degree or certificate requirements

(c) Meet the minimum educational, certification, or licensure requirements based on OPM’s qualification standards for the position to which the Intern will be converted

(4) MTFs and Center may waive up to one half (320 hours) of the required 640 hours minimum service requirement of work for Interns who receive a formal job performance evaluation that is higher than Fully Successful and meet one of the following academic achievements (5 CFR 362.204(d)): (1) a GPA of 3.5 or higher on a 4.0 scale, (2) class standing in the top 10 percent of the graduating class, or (3) induction into a scholastic honor society (excluding freshmen honor societies) recognized by the Association of College Honor Societies. A written test is not required for Schedule D Intern positions at the time of initial appointment or upon conversion. In addition, MTFs and Center may credit up to 320 hours of certain non-Federal career related internship program experience, volunteer service, or active duty military service and apply it towards the 640 hours requirement provided in 5 CFR 362.204(c). Time spent under previous Internship Program appointments may count towards required work experience hours.

(5) MTFs and Center is permitted to non-competitively convert Interns into term or permanent appointments in the competitive service. If OPM has established a cap on the number of the non-competitive conversions to the competitive service, the conversion must be within that cap.

(6) Interns can be placed in term positions and may subsequently be non-competitively converted into permanent competitive service positions. Interns converted at the same grade as their final Intern grade need not meet applicable length of experience requirements for that grade. Interns’ participation in the Pathways Programs applies toward their career tenure.

f. Selection Process. MTFs and Center must apply the provisions of 5 CFR part 302 when considering, selecting, and appointing individuals to positions under any Pathways Program. These provisions govern the order of consideration, selection, and appointment of individuals to positions in the Excepted Service. Appointments are subject to the same requirements governing term, career, or career-conditional employment. MTFs and Center is responsible under their specific adjudication guidance for determining suitability and verifying qualifications prior to appointment. Upon selection, Interns must attend the regular Employee Orientation upon Entry-on-Duty.

g. Veteran’s Preference. Veterans’ preference applies to selection for positions in the Pathways Programs. Selections must be made IAW the requirements of 5 CFR part 302, veterans’ preference laws, and OPM guidance issued as a Memorandum for Chief Human Capital Officers, dated February 9, 2009, on Procedures for Passover of Compensable-Disabled Preference Eligibles in the Excepted Service. This includes, but not limited to ranked and unranked referral lists.

h. Suitability/Security. Interns must meet all suitability requirements and receive a favorable background investigation for the position to which they are appointed. Drug clearance tests are required for specific positions.

j. Student Schedules. Interns may work full-time or part-time schedules. The Intern and supervisor must agree on a scheduled tour of duty that assures that the Intern’s work responsibilities do not interfere with academic performance and completion of their educational program (awarding of the diploma, certificate or degree). The Intern must ensure that completion of educational program is accomplished in a reasonable and appropriate timeframe. The MTFs and Center may require Interns to provide proof of enrollment and transcripts (for college students) every 6 months.

k. Break in Program. A break in the Program is defined as a period of time when an Intern is working but is unable to go to school, or is neither attending classes nor working at the agency. By written communication, the Intern is required to inform the PPO or MTFs and Center and their supervisor concerning their request for a break in Program. MTFs and Center may use its discretion to either approve or deny a break in the Internship Program.

l. Benefits. Interns are eligible for annual and sick leave, generally covered by the Federal Employees Retirement System (FERS), if their appointment is for 90 days or more (CFR 213.3202(a)(13)(i)). Interns are eligible for health and life insurance (FERS) coverage if their appointment is more than 1 year.

m. Separations. MTFs and Center may terminate a Pathways participant for misconduct, poor performance, or suitability issues under the applicable provisions of title 5.

2. RECENT GRADUATE PROGRAM. The Recent Graduate Program is a new program that provides employment opportunities for recent graduates and individuals who obtained certificates from qualified educational institutions or programs. Applicants who are not preference eligible veterans must apply within two years of completing their educational program (degree requirements). Preference eligible veterans who were precluded from applying due to their military service obligation begin their two year eligibility period upon release or discharge from active duty. Eligibility for a veteran in this case can’t exceed six years from the date on which the veteran completed his or her degree requirements (or certification). The Recent Graduate Program provides MTFs and Center with the opportunity to place recent graduates in a one year career development program. MTFs and Center may non-competitively convert participants who successfully complete the Program to term or permanent competitive service jobs. The intent is for appointments under the Recent Graduates Program to last one year; however, MTFs and Center may make an appointment for a longer period if the position warrants a longer and more structured training program.

a. Eligibility. Recent graduates who have completed, within the previous two years, a qualifying associate, bachelors, masters, professional, doctorate, vocational, or technical degree or certificate from a qualifying educational institution. Veterans unable to apply within two years of receiving their degree, due to military service obligation, have as much as six years after degree requirement completion to apply. Eligibility for these veterans can’t exceed six years from the date on which he or she completed their degree requirements (or certification).

- Be a United States Citizen

- Successfully completed at least one year of continuous service in additional to all requirements of the Recent Graduate Program

- Maintain acceptable job performance

- Meet the OPM Qualification Standard for the position to which the Recent Graduate may be converted

(3) It is important to remember that eligibility for conversion does not guarantee that MTFs and Center will decide to opt for conversion.

(4) Recent Graduates converted to term positions may later be non-competitively converted to permanent positions. Once the Recent Graduate is non-competitively appointed to a career or career-conditional position, time spent on the Recent Graduates appointment may be credited toward completion of the probationary period IAW 5 CFR part 315, subpart H.
(5) The non-competitive conversion must occur upon successful completion of the one year Recent Graduate Program period or at the end of the 120-day approved extension, unless MTFs and Center has an approved longer program based on a rigorous training and development requirement. Under no circumstances can a Recent Graduate appointment exceed two years, plus a 120-day extension. If participants are not converted on the date of their service requirement, or at the end of the 120-day extension, their appointments must be terminated.

e. Recruitment. The MTFs and Center will have the discretion to determine the process for accepting applications for specific Recent Graduates opportunities IAW 5 CFR 362.302, consistent with applicable legal and policy requirements.

f. Appointment. The MTFs and Center must make Excepted Appointments to the Recent Graduates Program, pursuant to the DHA MOU with the OPM, using the Scheduled D Excepted Service appointing authority. This agreement is re-executed every two years. Appointments may be made up to the GS-09 (or equivalent) level. The MTFs and Center may appoint Recent Graduates with degrees in the STEM fields (science, technology, engineering, or math) at the GS-11 (or equivalent) level if they possess a Ph.D. or equivalent degree from a qualifying institution directly related to the position being filled.

(1) MTFs and Center may make initial appointments to scientific and professional research positions at the GS-11 (or equivalent) level for which the classification and qualification criteria for research positions apply, if the candidate possesses a master degree or equivalent graduate degree directly related to the position MTFs and Center is seeking to fill. If the candidate has a Ph.D. or equivalent degree directly related to the position MTFs and Center is filling, the appointment may be made at the GS-12 level (or equivalent).

g. Qualifications. Appointments are subject to the basic qualification standards for competitive service positions established by OPM for the occupation and grade level.

h. Trial Period. All time served under the Recent Graduates Program counts towards the participant's trial period. Prior Federal civilian service is credited toward the completion of the required trial period in the same manner as prescribed in 5 CFR 315.802.

i. Sustainability/Security. Recent Graduates must meet all suitability requirements and receive a favorable background investigation for the position to which they are appointed. Drug clearance tests are required for specific positions.

3. PRESIDENTIAL MANAGEMENT FELLOWS (PMF) PROGRAM. This program is a flagship leadership development program at the entry-level for advanced degree candidates. Created more than three decades ago, the Program attracts and selects from among the best candidates and is designed to develop a cadre of potential Federal Government leaders.
a. Eligibility.

(1) Individuals who have completed a qualifying advanced degree (e.g. masters or professional degree) within the past two years.

(2) An individual is eligible to apply for the PMF Program in two ways. First, to be eligible for the Program, an individual must have completed a qualifying advanced degree within the two year period preceding the PMF Program announcement. The second way to become eligible is to be a student currently attending a qualifying educational institution who expects to complete the advanced degree by August 31st of the academic year in which the competition is held.

(3) An individual may apply for the PMF Program more than once as long as he or she meets the eligibility criteria. However, if an individual becomes a Finalist and subsequently applies for the PMF Program during the next open announcement, the individual will forfeit his or her status as a Finalist.

b. Program Administration.

(1) The PMF Program is centrally administered by the PMF Program Office within OPM.

(2) OPM announces the opportunity to apply for the PMF Program (usually in the late summer and early fall).

(3) Applicants go through a rigorous assessment process to determine Finalists.

(4) OPM selects Finalists based on an evaluation of each candidate’s experience and accomplishments according to his or her application and results of the assessments.

(5) OPM publishes and will provide MTFs and Center with the list of Finalists.

(6) MTFs and Center will provide OPM with information about their PMF opportunities and can post PMF appointment opportunities for those who are Finalists on the PMF website year-round. In addition, a job fair is typically held for Finalists each year.

(7) Finalists who obtain an appointment as a PMF serve in a two-year Excepted Service position.

c. Training and Development.

(1) The PMF Program Office (OPM sponsored) provides newly hired PMFs an opportunity to participate in its Orientation and Training Program. Senior-level mentorship throughout the Program. Obtain a mentor within the first 90 days of appointment.

(2) Individual Development Plan (IDP) to be created within 45 days of appointment and track a PMF’s career planning, professional development, and training activities.

(4) At least 80 hours of formal, interactive training each year of the Program, for a total of 160 hours.

(5) Pursue a short-term (1- to 6-month) rotational assignment. PMFs are placed on a performance plan and must obtain a successful rating each year.

d. After Program Completion. After successful program completion and job performance, the PMF may be converted to a permanent position (or, in some limited circumstances a term appointment lasting 1-4 years) in the competitive service.

e. Qualifications. Appointments are subject to OPM qualification standards established for these leadership positions.

f. Selection and Appointment. OPM will determine the appointment eligibility period for PMF finalists. MTFs and Center may appoint a Fellow for a period of 2 years using the Schedule D Exempted Service appointing authority, codified by OPM at 5 CFR 213.3402(c). MTFs and Center may extend a Fellow’s appointment for up to 120 days in rare or unusual circumstances or situations (e.g., medical issues). fellows may be appointed at the GS-9, GS-11, or GS-12 level or equivalent, depending on his or her qualifications.

g. Conversion. A Fellow who is ERB certified may be converted non-competitively to a term or permanent appointment in the competitive service. A Fellow appointed to a term appointment may be subsequently converted non-competitively to a permanent position before the expiration of the term appointment. Non-competitive conversions are no longer mandatory under Pathways (beginning with the class of 2013 Fellows). Once a PMF is non-competitively appointed to a career-conditional position, he or she does not serve a probationary period and acquires competitive status immediately.

GLOSSARY

DEFINITIONS

Pathways Programs: On December 27, 2012, President Obama signed Executive Order (E.O) 13562 establishing the Internship Program and the Recent Graduates Program and revising the Presidential Management Fellows (PMF) Program. These two new programs, along with the PMF Program, collectively form what the President called the Pathways Programs. The Pathways Program requirements are found in part 362 of title 5 CFR. The appointing authorities for the Pathways Programs are found in 5 CFR 213.3402(a), (b), and (c). These are streamlined and flexible programs that provide students with the following: (1) exposure to public service, (2) enhances educational experience, and (3) offers students a chance to earn money and continue their education at the same time.

Student: A student is an individual who is enrolled in an accredited high school, college (including 4-year colleges/universities, community colleges, and junior colleges); professional, technical, vocational, and trade school; advanced degree programs; or other qualifying educational institution pursuing a qualifying degree or certificate.

Half-time Academic: The school in which the student is enrolled provides this definition.

Break in Program: A break in program is defined as a period of time when a Pathways Programs participant is neither attending classes nor working at MTFs and Center. MTFs and Center expects that students should either be working at the MTFs and Center job, enrolled in classes, or both while participating in the MTFs and Center Pathways Programs. However, emergencies and special circumstances may occur. Therefore, the student may be given permission for a break in the Pathways Programs for a certain time duration determined by MTFs and Center, CHRC, and supervisor.
